- Restorative Conferencing
- Rules

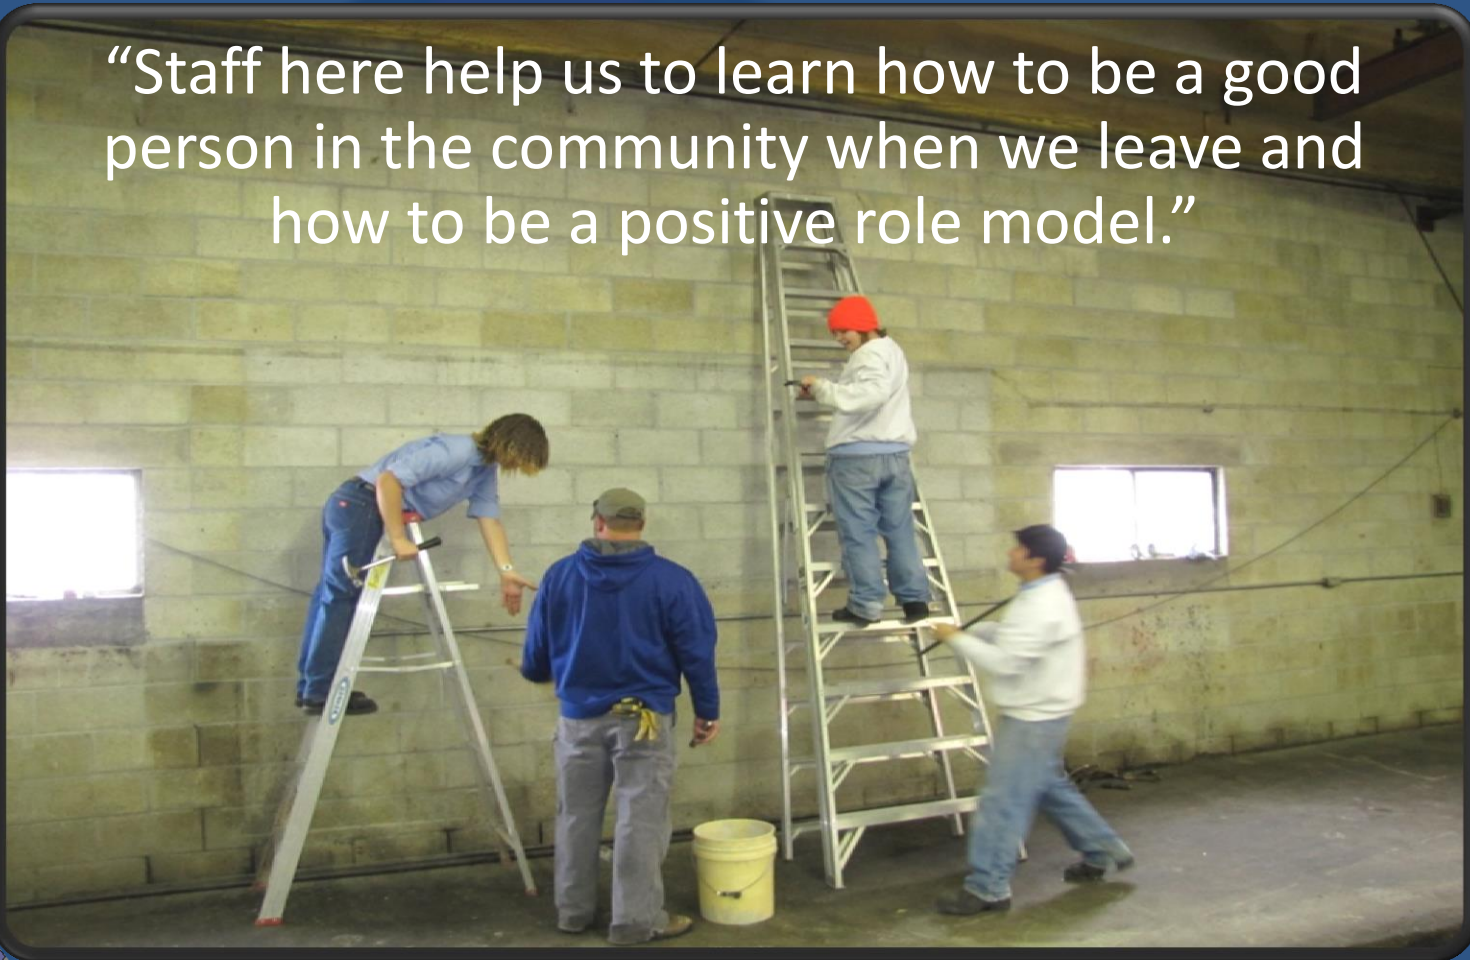

# Safety

# Competency Development

“Staff here help us to learn how to be a good person in the community when we leave and how to be a positive role model.”

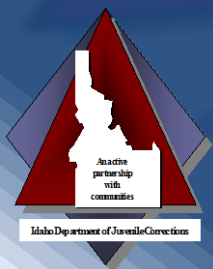

# Competency Development

## Why Early Intervention?

Over 73% of youth identified with substance use or mental health issues in county detention facilities had been previously diagnosed prior to placement in detention.

Juveniles in Custody	County Detention FY 2012
Substance Abuse Disorder	11%
Mental Health Disorder	29%
Co-occurring Disorders	30%

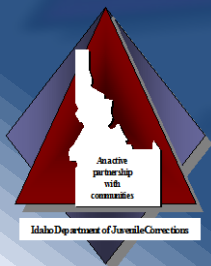

# Competency Development
